GATEWAY & THE WETUMPKA IMPACT CRATER COMMISSION

H. Gardner Perdue Jr. **WICC Board Member**

Gardner Perdue retired from the US Army after a 38-year career as the Military Personnel Technician and Safety Officer for the Headquarters 62nd Troop Command. He served as a UH-60 Pilot In Command and Aviation Safety Officer for the 131st Aviation Brigade during his 23 years of flying service. Wetumpka became his hometown in 1983 and his house is built in the designated center of the Wetumpka Crater. He is married and has seven children ranging from 14 to 31 years. Gardner currently works for the US Army National Guard as the Survivor Outreach Services Coordinator for Central and South Alabama. Locally, he will soon be the owner of Skate Zone where he, his wife and family will operate the facility. He is an active member of Trinity Episcopal Church and served for three years on the church vestry. Gardner learned the love of service to others through the Boy Scouts of America and has been actively involved 50 years as both a youth and adult. Today he coaches Eagle Scout candidates develop their project and sees them through the application processes to attain Eagle Scout.
