GATEWAY & THE WETUMPKA IMPACT CRATER COMMISSION

Kevin Robbins

WICC Board Member & Wetumpka Gateway Development Corporation Board Member

Kevin Robbins is the District 1 Councilman from the City of Wetumpka. He has served District 1 since 2012 and has served as the Mayor Pro Tempore for the city since 2016.

Kevin started working with the Crater Commission in 2013 and has thoroughly enjoyed getting to know about the earliest history of Wetumpka. He is a big fan of learning crater history and this experience has been well worth it. "When I was young everyone thought the crater was the end of the Blue Ridge Mountains. We were never taught the real history because it had not been proven yet." One of Kevin's main goals as councilman is to make sure the crater and its history are preserved and ongoing education is forefront for the city.
