## GATEWAY & THE WETUMPKA IMPACT CRATER COMMISSION

### **Marilee Tankersley** **Wetumpka Gateway Development Corporation** **President & WICC Vice-Chair**

Marilee Tankersley has been a resident of Wetumpka, Alabama since 1974. She earned both BS and MS degrees in Family and Consumer Sciences and Adult Education from Auburn University. She worked 36 years as an Extension Agent and educator and retired as the Elmore County Extension Coordinator in 2004. She helped develop and served as the first chairman and later Executive Director of Leadership Elmore County, retiring in 2011.

Appointed to the Wetumpka Impact Crater Commission in 2003, she presently serves as Vice-Chairman and Tour and Educational Chair. She is also President of the Wetumpka Gateway Development Corporation, the group that hopes to build the Wetumpka Impact Crater and Science Center. She assists the Kelly Fitzpatrick Memorial Gallery with the “Tuesdays With Kelly” monthly programs and a monthly Saturday program on the Wetumpka Impact Crater.
